**Parental Circular**

Tuesday, 19 August 2025

Dear Parents

Greetings of the Day!

As educational partners, we prioritize the well-being and safety of all our students and with the onset of monsoon season; in order to prevent spread of contagious diseases within our school community, we kindly request your cooperation in adhering to the following advisory:

1. If your child is suffering from any Common Contagious Disease like influenza (flu), common cold, strep throat, chickenpox, measles, mumps, conjunctivitis and other similar illnesses, we urge you to keep your child at home until [s]he has fully recovered.
2. It is important to consult a healthcare professional for appropriate treatment and guidance.
3. Further Class Test/ Cycle Test/ Recaps are currently going on and it has been found that some parents are giving their wards fever suppressants and sending them to school which is highly detrimental to the physical, mental and social growth of the children.
4. In case your child is unwell, submit an application along with Medical Certificate at the School Reception.
5. The child can wear full sleeves White shirt and Beige pants (school uniform), if required.

Looking forward to your support in keeping our children safe.

Regards
